

Child Care Services

AT HOME

Imagine That is an exceptional child care service for infants, children and adolescents.

We plan in advance and come prepared with a bag of age-appropriate activities geared towards your child's interests.

We make sure that your child is happy, comfortable and engaged so you can be at ease.

We are available whether you want to go out and have fun, or when you need to be away from your children due to work, emergencies or travel.

For school-aged children we provide homework support.

We come to wherever you are — your home, hotel, cottage — and we can even come with you on your vacation, or stay home with your children while you're away.
