

that Imagine Child Care Services

IN HOTELS

Imagine That is a professional child care service for infants, children and adolescents.

We are available when parents need exceptional child care throughout hotels in the Greater Toronto Area.

We plan in advance and come prepared with a bag of age-appropriate activities geared towards the child's interests. We're also available to do half- or full-day excursions in Toronto.

We make sure that the child is happy, comfortable and engaged so parents can be at ease.

We are flexible and come to families wherever they are.
